## Crete-Rail™

NEW  
PRODUCT

- Easy to use – add water & mix
- Fast set time
- Fiber reinforced for maximum strength

## Caulking Guns

- Premium, Standard, and Economy caulking guns for all different types of projects

## Spikes, Stakes, Staples & Pins

- Many sizes and finishes with convenient packaging options
- Degradable stakes, spikes and variety of staples

## Paver Rail™

- Choose from Universal, Low Profile and Flex Paver Rail Edging
- Permanent & invisible barrier between hardscapes

## SR Slip-Resist™

- Improves slip resistance
- Adds invisible grip
- Not visible when dry
- Can be used with all SRW Products film-forming sealers

## Slit Foam Rollers

- 2 roller options
- Apply SRW sealers evenly
- Works great on textured surfaces
- Remains spongy and will not compress

## Staple Setter & Pin Pounder

- Magnetic ends keep the pin/staples in place
- Use Staple Setter with 11 gauge, 1" steel staples of any length
- Use Pin Pounder for round top pins

## StringAlong

- Take down the line and put it back up without measuring
- Ability to create three to four different lines from different directions at one time
- Fits round stakes up to 1"

## Stretch Wrap

- SRW offers a range of stretchable, highly elastic plastic film that keeps items tightly bound

## Fabric Seaming Adhesive

- Save time and money with this fast and easy alternative to sewing geotextile fabric
- Simply spray and stick

## 6 Mil. Poly Sheeting

- Weed control
- Zero permittivity
- Easy to cut, easy to use
- Tear resistant

## Professional Sprayers

- For use with acetone-based products & TBAC
- Ideal for commercial applications
