

This is a Game Changer.

Instantly lock stone & veneer in place.
No mortar. No bracing. No kidding!

Holds strong in under 5 seconds!

Make Installation Easy with Vertical Instant Lock

Introducing an *ALL NEW adhesive technology*, specifically designed for vertical hardscape applications that can instantly lock stone, veneer and other materials in place in less than 5 seconds! It holds strong without sag or slip and can eliminate the need for mortar and bracing. It is safe for both indoor and outdoor use which makes it ideal for repairs. This is a game changer!

ALL NEW Adhesive Technology!
