

Dual Wash™

STONE & WETCAST WASH

DW

2-in-1 Surface Wash to Clean Stone or Wetcast

DW DUAL WASH™

DW Dual Wash prepares natural stone and wetcast for sealing by removing ground-in dirt, light grease, oil and mold release agents to ensure the surface has an optimal bond with the sealer. Use this wash after spot treatments.

Applications:

- ▶ Wetcast
- ▶ Granite
- ▶ Limestone
- ▶ Marble/Travertine
- ▶ Bluestone/Sandstone

Benefits:

- ▶ Easy to use, concentrated formula
- ▶ Polyhaze removal
- ▶ Non-acidic formula
- ▶ Removes ground-in dirt, light grease and oil

1 gal

Covers 200 sq. ft. per gallon
